

ARTICLES & PUBLICATIONS WRITTEN BY H H COTTERELL

These articles/publications are found in either the Pewter Society Library or the Cotterell boxes. They are only the articles found in those two sources and there might easily be other articles not recorded here. Copies of any others are welcomed. The year shown is the year published not the year written which might be different.

There is probably some repetition, as there is in the library index.

1910			
1911			
1912
